prateekyadav12203@gmail.com | +91 9695717496 | Noida, UP, India | [linkedin.com/in/prateek-yadav-686b311b7](https://linkedin.com/in/prateek-yadav-686b311b7) | [github.com/prateekyadav2003](https://github.com/prateekyadav2003)

## CAREER OBJECTIVE

MCA student specializing in Cloud Computing with hands-on full-stack development experience. Proficient in HTML5, CSS3, Bootstrap, JavaScript, React.js, PHP, MySQL, Git, and GitHub. Eager to build scalable, user-focused web applications and contribute to collaborative development teams.

## TECHNICAL SKILLS

**Frontend:** HTML5, CSS3, Bootstrap, JavaScript (ES6+), Responsive Web Design

**JavaScript Library:** React.js (Hooks, Functional Components, React Query, State Management)

**Backend:** PHP, RESTful API Design, Server-side Logic, Authentication, Session Management

**Database:** MySQL, SQL (Schema Design, CRUD Operations, Query Optimization), NoSQL Concepts

**Version Control:** Git, GitHub (Branching, Pull Requests, Code Review Workflows)

**Tools & Concepts:** VS Code, Linux, Data Structures, Secure Coding, Agile Practices

## PROJECTS

### PG Finder – Full-Stack Accommodation Platform

Aug 2024 – Jun 2025

Tech Stack: HTML5, CSS3, Bootstrap, JavaScript, React.js, PHP, MySQL, Git, GitHub

- Built a fully responsive accommodation discovery platform using HTML5, CSS3, and Bootstrap with a mobile-first approach.
- Developed dynamic frontend interfaces using React.js functional components and hooks for property browsing and booking.
- Implemented RESTful APIs in PHP for user authentication, session management, property listings, and booking workflows.
- Designed and optimized MySQL database schema with efficient CRUD operations and SQL query optimization.
- Applied form validation and secure input sanitization; managed codebase via Git/GitHub branching and pull requests.

## INTERNSHIP EXPERIENCE

### Full-Stack Web Development Intern

Aug 2024 – Nov 2024

- Built and maintained responsive frontend interfaces using HTML5, CSS3, Bootstrap, and JavaScript for production web applications.
- Integrated RESTful APIs and implemented server-side logic in PHP with MySQL for dynamic, data-driven functionality.
- Debugged production issues, identified performance bottlenecks, and optimized application speed and scalability.
- Participated in agile code reviews, daily stand-ups, and contributed to technical documentation following best practices.
- Managed version control using Git and GitHub for collaborative multi-developer workflows.

## EDUCATION

Master of Computer Applications (MCA) – Cloud Computing | Galgotias University

Sep 2025 – Jul 2027

Bachelor of Computer Applications (BCA) – Computer Science | DDU Gorakhpur University

Aug 2022 – Jun 2025

## CERTIFICATIONS

- Web Development – Internshala
- Database Programming with SQL
- NPTEL Cloud Computing & Distributed Systems
- Cloud Computing 101
